May __, 2010

Dear _____:

The Bear Point Civic Association wishes to thank you for your generous support of our non-profit organization in past years. Once again, on July 3, 2010, we are having our annual Independence Day Celebration, and we request your assistance with this function. Your generosity will be greatly appreciated by our members, and by the parents and children of Bear Point and Orange Beach.

During the week of _____, one of our volunteers will be contacting you about this year's donation. All proceeds from our event will go to our Beautify the Park fund.

We appreciate very much your continued support of the Bear Point Civic Association and our community.

Thank you again.

Sincerely,

Irene Donald, President
